LANDHAUS SPA

Indoor pool with counter-current system (9 x 5m, 29° C), sauna and steam bath, infrared cabin, relaxation room. Inside and out – at the Landhaus Spa you can fully relax in dream-like peace and quiet.

Your personal wellbeing is enhanced by the Grander water we use throughout the hotel – healthy refreshment from every Landhaus tap. Together with its environmentally friendly ozone water purification, Grander water is also what provides the especially mild water quality for our pool.
